

Declaration of Receipt of the Physics 140-1 Course Syllabus
Fall, 2020

I, the undersigned student, attest that I received the following documents from the course instructor, Dr. David F. Cattell, for section 001 of the Physics 140 course, Mechanics, Heat and Sound, at Community College of Philadelphia for the Fall 2020 semester:

- Course outline titled “Mechanics, Heat and Sound” which includes an explanation of the grading procedure for the course.
- A copy of the homework assignments which indicates when assignments are due, how they are to be submitted and the dates of hour tests.
- A copy of the laboratory schedule which shows the names, days and dates of scheduled labs.
- A document titled “Calculus Formulas and Techniques you should know for PHYS 140” which gives calculus topics the student should be familiar with for the course.
- A document titled “Student Learning Outcomes for Physics 140” which summarizes learning objectives for the course.
- A document titled “Policy for Missed Tests and Repeated Work” which includes a description of the procedure that will be followed if a student misses a test or resubmits work after the due date.
- A document titled “Community College of Philadelphia Department of Physics Policy Concerning Academic Dishonesty” which includes a definition of cheating and a description of the procedure that will be followed if a student is caught cheating.
- A document titled “Are You Overloaded?” which cautions against overloading and provides a formula for a student to determine if he or she is overloaded.
- A document titled “Dr. David F. Cattell, Fall 2020” which gives the course instructor’s Website URL, email address, fax number, office telephone number, office location and office hours for this semester.

I also attest that I understand the contents of these documents and agree to abide by any policies they describe.
